Mind map on the author of the month

JAM session- students spoke on WS topic.

For the month of February, we continued to work on the author- Jules Gabriel Verne. Students recalled and revised the biography of the author and revisited the story-Around the world in 80 Days. Ardee Mock elections were also conducted. Students created a glossary of the book and listed the traits of the characters from the story. We had an Inter-house J-A-M Session and students participated in Edtalk held between Gurugram, Goa and NFC. The month ended with Book talk and Spirit Day to make ending lively. The students on spirit day shared riddles and jokes in the assembly.
