## WORLD STUDIES

“World Literature” is the theme of our World Study. The Students were introduced to Shakespeare and his book “King Lear” this month through different activities and resources. Many students got pictures of the author and information about him to share with us. The students read the story on promethean board, learnt about different characters in story and even enacted the story in their classrooms. Our newstime was on first lunar landing. The students also wrote notes in their student planners.

### Some of the small things we can do to help:-

1. Stop plastic straws - Paper straws, steel straws else ditch the straw totally - each straw takes over 400 years to get decomposed  
Bamboo straws and wheat straws -Pappco Greenware- 022 22414333
2. Similarly bamboo ear buds instead of the traditional ear buds  
Order at Bamboo India
3. Carry water bottles from the house instead of buying and ordering bottled water
4. Give all staff a cloth bag or a jute bag and keep a few bags in the car also so we can totally ditch the plastic bag
5. Edible cutlery instead of plastic cutlery bakeys.com +91 93937 62080- Trishula edible cutlery
6. Pens rolled in paper instead of plastic and pencils rolled in newspaper instead of wood (avoids the felling of trees)
