

***“To see a World in a Grain of Sand
And a Heaven in a Wild Flower,
Hold Infinity in the palm of your hand
And Eternity in an hour.” - William Blake***

Dear Parent,

This is the time of year when many parents and schools are preparing for the next academic session. At The Ardee school new combinations of **Montessori methodology and pedagogy is being re-imagined** and new learning objectives designed to support our learners.

Though COVID-19 has been an unparalleled tragedy, but also an exceptional opportunity to re-commit to do what’s best for our Ardee students.

During the time of virtual learning, our students have become more independent and empowered. They have been given more freedom in establishing their learning routines and outcomes. It is truly phenomenal to see our Pre-primary students independently sitting for the classes, arranging resources, muting and unmuting themselves.

Please find attached the link for ‘The Ardee Montessori virtual journey’ a **retrospective look at the year 2020 -2021**.
